3412 Caterpillar Engine Oil Pressure - catalog.drapp.com.ar

Cat 3412 is becoming slow to start, this is because the oil pressure is taking a long time to build up. Also we have just had a bore-scope done due to elevated oil consumption, after the injectors were replaced we could not start the engine and had to disconnect the suction pipe from the HEUI pump and manually fill with oil 3 times before it would start.
