The Chevy Astro is a full size van with seating for up to seven people. There is plenty of leg room and storage in the back for trips to the grocery store to week long camping trips. The main feature I like is the roominess for all. It's a much sturdier and stronger feeling can than most. It's like driving a full size truck.

People raced to the showrooms to get a Chevy while the competition went back to the drawing board. Chevrolet continued to set the bar for innovation by introducing the small-block V8 engine in 1955 which led to the development of high-performance engines still used today. Chevrolet still dominates the tracks of Daytona until today. 100 Years ...
