You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

A Clean Kill In Tokyo

A clean kill in Tokyo was enjoyable. I've read some reviews which state the second half is significantly better than the first and on the whole I'd agree with that. Not being a Japanese speaker, I found I could not pronounce (properly) the constant words, phrases, speech and place/peoples names but that didn't stop me trying and enjoying the book regardless.

A Clean Kill in Tokyo/Rain Fall. A Barry Eisler Novel. By Mark Wilkes. Barry Eisler is immensely skilful at making you feel like you are in the novel, the intricate detail and passion that he uses to set a scene is second to none and he must be commended for that; however, this is also my biggest complaint with this particular novel.
