in 1924, sparked a revolution in tractor design. The Farmall introduced the tricycle style row-crop tractor. It could not only plow, but was capable of precision work such as cultivating. International Harvester's agricultural operations were merged with the J. I. Case Company in 1985.

International Harvester farm tractors by model

Case IH was created after the Tennaco Corporation, who purchased J.I. Case in 1967, took control of International Harvester's tractor operations in 1985. The two lines were merged and the large IH tractors were dropped in favor of the Case models. In 1999 Case IH merged with New Holland to form CNH Global.
