Any suggestions? I have the altimatic III manuals and the manuals for each of the other units, but cannot determine where to make the connection. When I installed a Trutrak it was an easy connection of an rs232 and 429 set of wires. Not sure how it works with the altimatic. Scott Brooksby, CFII, A&P, IA.

Garmin 430w installation with altimatic Iiib autopilot ...

This manual describes the basic characteristics of each control function and its relationship to other functions in the flight system. Maximum utility will be realized after familiarization and practice.

CENTURY III

Altimatic II. Prior to 1965, Piper had introduced their first attempt at a two-axis, attitude-based autopilot in the Altimatic II. It had some unique features like dial-up altitude and autotrim (back then, the need to re-trim was sensed by cable tension). Today, an Altimatic II is not a viable system and maintenance is a poor investment.

Piper 761-602 Altimatic Iiic Manual - Aviomanu

Part Number 761-602 is a MANUAL: ALTIMATIC.111C-SERVICE manufactured or catalogued by Piper Aircraft, Inc.. In some cases a proprietary airframe or engine manufacturer's part number may be assigned to identify the same part which was actually manufactured by a different component OEM.

761-602 - MANUAL: ALTIMATIC.111C-SERVICE - Aeroval®

Posts about Altimatic IIIC written by davidcrocker. Quite a few older light aircraft have old analogue autopilots installed, such as the Century III, or the Piper Altimatic IIIC that is installed in my own aircraft.

Altimatic IIIC | David Crocker's Solutions blog

I'm trying to find an avionics shop, in the central plains region, which is willing and able to repair a Piper Altimatic Iiib autopilot. I have tried Autopilots Central and they've ignored all inquiries. Other local avionics shops try to push for a new system install. Our PA32-260 is due for an engine overhaul, soon, ...
