American Apartheid Segregation And The

American Apartheid shows how the black ghetto was created by whites during the first half of the twentieth century in order to isolate growing urban black populations. It goes on to show that, despite the Fair Housing Act of 1968, segregation is perpetuated today through an interlocking set of individual actions, institutional practices, and governmental policies.

American Apartheid is brilliantly written and exposes the evil of housing segregation in this country. The facts are stunning and disturbing. You can clearly see some of the causes of inequality and the wealth gap. American Apartheid is referenced frequently in books, articles, and bibliographies.

American Apartheid: Segregation and the Making of the ...

Abstract. This article argues that racial segregation is crucial to explaining the emergence of the urban underclass during the 1970s. A strong interaction between rising rates of poverty and high levels of residential segregation explains where, why and in which groups the underclass arose. This argument is developed with simulations that replicate the economic conditions observed among blacks and whites in metropolitan areas during the 1970s but assume different conditions of racial and ...
