Americas Public Lands From Yellowstone to Smokey Bear and ...

For many people, upon hearing the term “America’s public lands,” the national parks come immediately to mind, and for good reason. The national parks form the crown jewel of the system of public lands in the United States, as illustrated in Figure 1 of the Grand Canyon.

America's Public Lands: What, Where, Why, and What Next?

Yellowstone National Park is an American national park located in the western United States, largely in the northwest corner of Wyoming and extending into Montana and Idaho. It was established by the U.S. Congress and signed into law by President Ulysses S. Grant on March 1, 1872. Yellowstone was the first national park in the U.S. and is also widely held to be the first national park in the world.
