Here are eight ways to grow a healthy relationship with your adult children and how to parent adult children in their 20s and beyond: 1. Recognize and respect your differences. If you and your child had conflict well before adulthood, it won't disappear... 2. Share your wisdom and insight (without ...

Adult Children | The Guide to Parenting Adult Children

Offer your adult child tough love. Tough love is a disciplined and strongly expressed boundary to promote responsible behavior and long-term change. You offer tough love when you set firm limits and enforce consequences. Tough love might mean not allowing a drug-using adult child to move back into your home without first getting help.

7 Things to Do When Your Adult Children Make Poor Choices

Adult Child Syndrome. While the concept of the adult child was originally developed to explain the difficulties of men or women who grew up with an alcoholic or addict in the home, it is also valid for the adult children of narcissistic, traumatized, depressed, numbed, workaholic, abusive, 'borderline' or psychotic parents.
