1. Structure and thesis. This book builds on three of Walton's earlier publications—Ancient Near Eastern Thought and the Old Testament (Baker 2006), his article on Chaoskampf and functional ontology, and The Lost World of Genesis One: Ancient Cosmology and the Origins Debate (IVP 2009). The book has a clear structure. After his mainly methodological introduction (1–16), Walton outlines ...

Review of J. Walton, Genesis 1 as Ancient Cosmology

This volume provides a thoughtful introduction to the literature of the ancient Near East and a well-considered apology for its importance to exegetical work. John Walton suggests that there are three important roles comparative studies can play in biblical interpretation: critical analysis, defense of the biblical text, and exegesis. He focuses particularly on the third aspect and its ...
