Anesthesiology - update medicine

Journal of Anesthesia and Perioperative Care is an international, peer reviewed, open access journal committed to publish innovative research in the field of anesthesia and pain medicine.

Anesthesia means temporary 'loss of sensation or awareness' usually given as gas to breathe in, injections, ointments, drops or sprays to stop the painless performance of medical procedures.

JOURNAL OF ANESTHESIA AND PERIOPERATIVE CARE

THE fastest growing segment of the population in the United States and European Union is the elderly. 1
Advances in medical care have increased life span, and a larger percentage of geriatric patients will
