### **Fourth grade Lesson Adaptation Project | BetterLesson**

The second grade sweet spot. I'm one of the lucky ones who gets to say "I teach 2nd!" and if you're like me, you're thankful for the work the kindergarten and first grade teachers put in, before the kids get to us! (I am extra appreciative of the work K teachers do, because I "lived" there for 4 years...) This is especially true when it comes to science and the NGSS standards!

### **Second Grade Science Standards :Understanding NGSS Series**

To support the industry (e.g. farmers, drivers) to improve animal welfare, a consortium consisting of 16 partners has started to develop Guides to Good and Best Practice as a European Commission, DG Sante pilot project. The Guides will involve guidelines for cattle, horses, pigs, poultry and sheep transport, with the aim to finish by the end of ...

### **ANIMAL TRANSPORT GUIDES**
