Textbook Solutions & Manuals | Textbook Answers & Guides

Depends on the textbook. Most of the math text books give you every other answer in the back of the book. You only get the final answer though, no explanation. It's usually good enough, because university profs and college instructors usually only assign the questions with answers in the book (gives you feedback to see if you're doing it right).

Where can I find college textbook answer key? | Yahoo Answers

Previewing a textbook accomplishes much the same thing. Start by looking at the beginning of your 10-page chunk. Read section titles. If no titles, read first lines of paragraphs. Read the last paragraph. Glance over charts or photos used on the pages.
