Anthropological theory. An introductory history | Request PDF

lect. Without a solid understanding of the history of theory, anthropological data remain a collection of exotic ethnographic vignettes. With a knowledge of theory, these vignettes become attempts to answer critical philosophical and practical problems. Thus it is critical that anthropologists understand theory and its historical context.

Anthropological Theory: An Introductory History : R. Jon ...

Historians of anthropology often trace the birth of the discipline to the 16th-century encounters between Europeans and native peoples in Africa and the Americas. For Europeans, these peoples and their practices often seemed bizarre or irrational, yet to live and work with them, it was important to understand their cultures.

Anthropological theory : an introductory history (Book ...

Physical anthropology tends to rely on conceptions of theory building and testing from the physical and historical sciences. Cultural anthropology has often relied upon conceptions taken from critical theory or social constructivism, in which a theory is something constructed either by the researcher or by the community of which the researcher is a part.
