### **Atlas of Emergency Neurosurgery - Thieme eBooks**

I was in a bit of a cynical mood when I first picked up Atlas of Emergency Neurosurgery, and I expected to see a tome full of familiar chapters by familiar people. I couldn't have been more wrong. It only takes a few page flips to recognize that Atlas of Emergency Neurosurgery is very different; unique is perhaps an understatement. Unlike most contemporary textbooks which try to cram as much information as possible onto each page, I found myself staring at lovely, full-page illustrations ...
