Bartender Training Manual [Restaurant Name] 6 8/01/2005 Sanitation The responsibility of management and staff to protect the public from food borne illness is fundamental. A food borne illness is simply a disease that is carried, or transmitted, to human beings by food. Throughout your training, you will receive information concerning

### **Bartender - RestaurantOwner.com**

Bartender training for new hires should include explicit rules as to which glasses are required for each cocktail and beer your restaurant carries. While one bar might use a pint glass for every beer, a craft beer bar would scoff at that idea, so clarify in training what your standards are, and make sure your staff sticks to them.

Barback Training Manual. Another important role at your bar is the barback. Barbacks duties can be similar to that of bussers, except in a bar environment instead of a restaurant. Barbacks are responsible for supporting your bartenders and ensuring they have everything they need to complete their work efficiently.
