### Big Trouble A Murder In

"Big Trouble" is a very well-written piece of historical literature, describing a seemingly insignificant event in a unique way. The book focuses on the brutal murder of Idaho's governor, Frank Steunenberg, who is killed, in winter, by a bomb attached to the gait of his house, and the subsequent trial.

Yet in reading Big Trouble, a gripping account of murder and politics in turn-of-the-century Idaho, one can't help but think that Lukas was far too hard on himself. His last work is a well-told tale of the struggle between labor and capitalists in the West at a time when entire state legislatures were effectively owned by corporate interests and America teetered on the brink of open class warfare.

"Big Trouble" begins on an ordinary Saturday in December 1905, in the small town of Caldwell, Idaho. As its most esteemed citizen, Frank Steunenberg, the former governor of the state, takes a routine stroll to the bank of which he was president, Lukas recapitulates his and the town's history, epitomized in the boast of the town's newspaper: "Caldwell is a straight business proposition.

Big Trouble (2002). To the extent that it's remembered at all, Big Trouble might be best-known for being one of a handful of movies that were pushed from fall 2001 until spring 2002 because of the September 11th terrorist attacks, after which movies with even a hint of terrorist-related plots (no matter how silly) were briefly considered too hot to handle.

Surprisingly little of Big Trouble is dedicated to figuring out the guilt or innocence of Haywood and his fellow WFM leaders. This is a minor annoyance in a book of nearly 800 pages. On the one hand, one sympathizes with Lukas's broader aim of recreating with great particularity a colorful and significant set of events surrounding the murder trial.
