This is the book list parents hope they will never need, but it's an important one nonetheless. These books are valuable resources for talking to children about love, illness, death, and the stages of grief — all of which are abstract concepts that can be difficult for children, especially young ones, to grasp.

I love a good seek-and-find book. You're probably already familiar with the classic I Spy books (which I could NOT keep on the library shelves when I was a librarian — they never made it out of the book drop before another child swooped in and snatched them up) and Where's Waldo? from your own childhood, but now the shelves are bursting with lots of new options that your children will love.

I love making books with kids, be they class books, emergent readers, or individual kid-directed books. There is just SO MUCH learning that can take place during this process. Plus, it's just plain fun. For the kids. And me. Because, let's be honest, I have just as much fun making these books as the children do!
