Bright Baby Animals

I love the pictures and bright colors, but I feel it's inconsistent in labeling the animals. I've heard that when teaching a child, you should stay consistent at first (call all cats "cat" rather than kitty, kitten, cat, etc.). This book bounces around from baby animal names to adult animal names and then super obscure stuff.

The board book "Bright Baby Animals" is a great book for babies to children who are 3 years old. Each page has an animal and the book can help to increase a child's vocabulary by associating words with beautiful pictures. I liked how the book had the English and Spanish word for each animal i.e. butterfly/mariposa, frog/rana, and elephant/elefante.
