Research covers every historical specialism from the medieval to the modern world, including British, European and global history. Members of the department work with many cross-disciplinary centres including the Centres for Late Antique and Medieval Studies, Enlightenment Studies, Early Modern Studies, King's Contemporary British History, the Sir Michael Howard Centre for the History of War, and the Menzies Centre for Australian Studies.

Research | Department of History | King's College London

Because good research and good writing go hand in hand, probably the single most important key to successful research is having a good topic. For that, all you need at the beginning are two things: (a) a problem that you are genuinely interested in and (b) a specific issue, controversy, technique, instrument, person, etc. that is likely to offer a fruitful way forward for exploring your problem.
