By Osumaka Likaka Naming Colonialism

“In the end, Naming Colonialism: History and Collective Momory in the Congo makes public nearly one hundred years of protests that were hidden in plain sight/cities, in ‘simple phrases and words’, which until recently were not considered valid historical documentation. By proving that naming was a form of agency, memory keeping, and historical making, Likaka redefines how and by whom history and memory are recorded and reconstructed.

Naming Colonialism: History and Collective Memory in the ...

As Osumaka Likaka argues in this illuminating study, the names that Congolese villagers gave to European colonizers reveal much about how Africans experienced and reacted to colonialism. The arrival of explorers, missionaries, administrators, and company agents allowed Africans to observe Westerners physical appearances, behavior, and cultural practices at What’s in a name?

Naming Colonialism: History and Collective Memory in the ...

Osumaka Likaka, a Congolese professor at Wayne State University in Detroit, explores that whole world of naming, its meaning, and sometimes its implications, during the colonial period of the Belgian Congo. The appendix lists appoximately 270 local Congolese names (the nicknames), their translation, location, and the real name of the person.

Project MUSE - Naming Colonialism

Likaka's perspective is quite critical of colonialism, and the use of names, especially of colonial officials, is seen as a form of protest against colonial actions. As both a Congolese and an academic, he is able to give keen insights into relationships between colonizers and colonized during that period in Congo's history.
