### Case International 470 570 Tractor Workshop Service Repair ...

From early 1928 until 1953 Case used first a six digit, then a seven digit numbering system. To determine the year of manufacture for a tractor with a six digit number use the following formula. Take the first and the fourth digit, and subtract three to get the year. For example, the serial number of 395602 would be: 36-3 = 1933.
