Each chapter follows a consistent structure, covering everything from clinical features, differential ...

Color Textbook of Pediatric Dermatology 4th Edition ...

Color Textbook of Pediatric Dermatology (2007) would ordinarily lie on the margins of the spectrum of books that I'd consider review-worthy: it's approximately 400 pages long, has multiple authors and is, well, a textbook. Longer, multiple-author textbooks tend to fall apart conceptually at about 400 pages in length. This book, however, holds things together very nicely throughout.
