The title tells what is different about this comprehensive history of mission and in-depth theology for contemporary mission. Constants in Context refers to what is regarded by the authors as necessarily unchanging in the many forms of Christian mission throughout history and, at the same time, as necessary recognition of the ever-changing world in which the gospel becomes rooted.

Constants in Context[CC] is a timely, scholarly work whose self-declared, ambitious aim is to provide "a contemporary theology of mission in light of the faithful but always contextual growth of the Christian movement" (xvi). It takes its place alongside David Bosch's monumental study, *Transforming Mission: Paradigm Shifts in Theology of Mission* (Maryknoll NY: Orbis, 1991), which CC duly acknowledges and, in many ways, complements.

## **Constants in Context: A Theology of Mission for Today ...**

It seems reticent to get out of the context of doing evangelism or mission to people, and understand that God's mission is for them and with them, so needs to come from where they are. There are possibly too many constants based on the culture of victorian values and not enough examination of the good news of a God who is always doing new things.
