Foot and Mouth crisis UK 2001: Archive 7

“I was rescued from a chronic tendonitis 10 years ago by the use of orthotic foot supports and have been a staunch advocate since. Due to my globetrotting career as a professional sportsman I’ve had the benefit of seeing a fair few podiatry experts and have to say that the guys at The Exeter Clinic are right up there with the best.

Podiatry services in the heart of Exeter - The Exeter Clinic

The outbreak of foot-and-mouth disease in the United Kingdom in 2001 caused a crisis in British agriculture and tourism. This epizootic saw 2,000 cases of the disease in farms across most of the British countryside. Over 6 million cows and sheep were killed in an eventually successful attempt to halt the disease.

speakers tend to think the crisis = danger/opportunity connection is complete bullshit.

Is the Chinese word for “crisis” a combination of “danger

...

Addressing the affordable housing crisis will require the public, private and nonprofit sectors to work together. The private sector can bring scale and innovation to this problem. We need to work with long-time landowners to develop their property in a manner that creates more workforce housing. We can incentivise them with more density, ect.
