Quick Reference Cards (or cheat sheets) are a great way of providing a cost effective 'Aide-mémoire' to your staff especially in support of training initiatives. Research shows that course books are rarely used after the training event. Reference cards can act as a self help refresher for your staff enabling users to better understand and implement what they have learnt.

Microsoft Office Quick reference cards and cheat sheets

An effectively designed quick reference card provides a concise way to organize information in a small space that is easy to use and read. It serves as a cognitive aid and is an effective way to support work performance. Wikipedia calls it "a concise bundling of condensed notes about a specific topic."
