Decentralising Public Service Management by Johnston ...

Decentralise authority and let managers manage' has been an almost universal message in UK public services over the last 15 years. But does it really work? Drawing on their own - and a wide range of other research - the authors show that behind the ministerial rhetoric the experiences of NHS trusts, grant maintained schools and housing associations were in practice distinctly mixed.

Decentralising public service management (Book, 1998 ...

Dissatisfied with the systematic failure of centralised approaches to delivering local public services, a large number of countries are decentralising responsibility for these services to lower-level, locally elected governments. What problems have been encountered with decentralising service delivery and how can these challenges be overcome?

programmatic cluster approach. The program cluster comprises two subprograms enveloped by a medium term results-based framework. The DPSFM has a policy-based loan and a project loan.

41392-023: Decentralized Public Service and Financial ...

If the central government is willing to give up a direct hand in policy formulation and control it may attempt to achieve the objectives of both production and allocative efficiency by transferring the ownership and/or control of the public service's assets to the private sector. In this case, decentralization takes the form of privatization. Typically, privatization also implies that the services are allocated through the market system with the consumer paying for the service being ...
