Thomas R. DeMark, the creator of the DeMark Indicators and one of the most well-respected practitioners of technical analysis wrote the Foreword to this book. This is the second book in the Bloomberg Market Essentials(TM) Technical Analysis series, which covers the key elements of the most widely used technical analysis tools.

DeMark Indicators (Bloomberg Market Essentials: Technical ...

The recent (2008) publication of Jason PerI's DeMark Indicators (Bloomberg Market Essentials: Technical Analysis) is exciting as PerI is fairly successful at describing the indicators in a way that allows them to be quantified. While I have not read DeMark's books, I understand that PerI describes DeMark's indicators better than DeMark himself.
