Descartes Bones A Skeletal History

The author follows the bones of Descartes in a detective like fashion, tracing our history and its progress behind the trail left by Descartes' bones. When the skull of Descartes appeared in a museum, many questioned whether it was really the head of Descartes.

Descartes' Bones: A Skeletal History of the Conflict ...

Unfortunately, the "Descartes' bones and skeletal history" part of the book didn't mesh well and felt disjointed from the "history of conflict between faith and reason" aspect. The former might have been interesting as a short article, and the latter is an inte I was initially intrigued by the title/subject of this book.

Descartes' Bones: A Skeletal History of the Conflict ...

Descartes' Bones A Skeletal History of the Conflict Between Faith and Reason. Welcome to the website for my new book, Descartes' Bones. My publisher asked me to write a bit of "story behind the story" text to introduce the book, but authors have their own sense of things, and I decided I would rather use this opportunity to make the following categorical pronouncement: I do not have a bone fetish.
