critical literacy and details its application in the classroom. BY HEATHER COFFEY Critical literacy is the ability to read texts in an active, reflective manner in order to better understand power, inequality, and injustice in human relationships. For the purposes of critical literacy, text is defined as a “vehicle through which

Critical literacy - teachingaround.com

Critical approaches to literacy recognize the link between meaning making, power, and identity (Janks, Literacy and power. Routledge, Abingdon, 2010). While there are a number of orientations associated with critical literacy, all share the perspective that “human action is mediated by language and other symbol systems within particular cultural contexts” (Lewis et al. Reframing ...
