...

My opinion, If I was to get a Td5 D2, it would definately be auto. I would also try and get something after 2001, as the auto's can deal with more torque/ chipping etc. '03 onwards is the go, better auto trans software, able to take more torque(400+Nm) without limp mode, and a much nicer shift pattern/ feel.

td5 manual vs auto that is the question
