It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Dolores Cannon - Audio Books, Best Sellers, Author Bio ...

Dolores Cannon is the most exciting author I've encountered for a very long time, and since this is the first of her books I've read I've got a lot to look forward to, She's a hypnotherapist and gets the information for her books, or at least this one, from regressions carried out on her clients. These regressions do not merely take the client back to run-of-the mill past lives - no, contact ...

Dolores Cannon is a past-life regressionist and hypnotherapist who specializes in the recovery and cataloging of "Lost Knowledge". Her roots in hypnosis go back to the 1960s. She has been specializing in past-life therapy since 1979. Dolores has become, perhaps, the world's most unlikely expert on the prophecies of Nostradamus.
