My workhorse printer is a Brother MFC-7820N. I've had it since 2007. Over the past month, I've had constant paper jams. I tried cleaning the pickup roller that feeds the paper from the paper tray. That didn't do squat. I figured it was time to buy a new printer, so I researched the current Brother models.

Brother introduced the company's first laser printer in 1987, and two years later, their first label printer hit the market, the Brother P-touch. In 1995, Brother released their first black-and-white All-in-One laser printer, the Brother MFC-4500ML. This device included a printer, scanner, copier, and fax machine.
