In Engaging the Christian Scriptures a group of seasoned theological educators avoids this pitfall and offers an elegant entry point into the academic study of the Bible. An introduction to the Bible course for undergraduate students needs to rest on three legs: the biblical text, the classroom experience, and a succinct written guide that students can use for preparation and review.

Engaging the Christian Scriptures: An Introduction to the ...

A wonderful way to engage the Bible is through prayerful reading of Scripture, a mode of reading with an eye towards finding language out of which we form a prayer of response. This differs from meditation in that meditation is an entering into the world of the text and allowing it to speak to us, while prayer is us speaking to God in natural response to the text.
