social publication. Epiphany is our response to the recent trends in content consuming, where people spend less time with traditional media, such as books, while spending more time consuming information on line.

Introduction | Epiphany User Manual

Write on Epiphany. On Epiphany, an article is formed by a few blocks. A block can either be a piece of text or a runnable program. We currently support using Markdown for text content, and two languages, Javascript and Python for programming. In the future, Epiphany will support more languages and block types.

Epiphany aims to present the simplest interface possible for a browser. Simple does not necessarily mean less-powerful. The commonly-used browsers of today are too big, buggy, and bloated. Epiphany is a small browser designed for the web: not for mail, newsgroups, file management, instant messaging, or coffeemaking.
