Jean Cocteau worked across almost every artistic discipline, exploring writing, painting and drawing, theatre and film, linking disparate forms of art making in explorations of myth, contemporary life, dream and sexual identity. Cocteau began as a poet but aspired toward the creation of worlds into which an audience could be immersed.

An important exponent of avant-garde art, Cocteau had great influence on the work of others, including a group of composers known as Les six. In the early twenties, he and other members of Les six frequented a wildly popular bar named Le Boeuf sur le Toit, a name that Cocteau himself had a hand in picking.
