Eva Peter Dickinson

Eva is a science fiction novel for young adults by Peter Dickinson, published by Gollancz in 1988. Set in a dystopian future, it features "the hybrid that results when the brain-patterns and memory of a dying girl are transferred into the brain of a chimpanzee." Dickinson researched chimp behavior for the book and he dedicated it to Jane Goodall.

Eva (novel) - Wikipedia

Eva, a book by author Peter Dickinson, was a horrifying book. Not horrifyingly bad, but the idea that the book was based off of was very frightening. Eva features a young girl named Eva as the main character. The book actually started off slow, and was mildly confusing. The setting and the time frame were not specific, but this seemed to be on purpose.
