Fluke by James Herbert. He was a stringy mongrel, wandering the streets of the city, driven by a ravenous hunger and hunting a quarry he could not define. But he was something more. Somewhere in the depths of his consiousness was memory clawing its way to the surface, tormenting him, refusing to let him rest. The memory of what he once had been . . . a man

Fluke by James Herbert

On the surface Fluke was a real departure for James Herbert at the time. Known for his gruesome horror novels such as The Rats and The Fog and his brilliant horror/ghost story The Survivor, Fluke seemed fluffy and funny. It tells the story of a dog called Fluke, from ...

Fluke the dog, who was once a man driven to find out how he died, and to try and meet his family again. It's beautifully written with comic moments, and sad moments, and it resolves itself in the end. You could almost set this aside from much of James Herbert other works, and some of those novels are great to.
