### Ford Falcon Au 2 Engine

The Ford Falcon (AU) is a full-size car that was produced by Ford Australia from 1998 to 2002. It was the sixth generation Ford Falcon and also included the Ford Fairmont (AU)—the luxury-oriented model range. The AU series replaced the EL Falcon constructed on the new at the time EA169 platform, and was replaced by the updated BA series.

### Ford Falcon (AU) - Wikipedia

The Ford Falcon (BA) is a full-sized car produced by Ford Australia from 2002 to 2005. It was the second significantly re-engineered iteration of the sixth generation of this Australian-made model, and also included the Ford Fairmont (BA)—the luxury-oriented version of the Falcon. This platform also formed the basis of the Ford Territory sport utility vehicle.

Used car review: Ford Falcon AU 1998-2000 03 Oct 2016 There are people who like the looks of the AU Falcon - I've even met one - but in the main

Australians hated the toothy grin of this car.

### **Used car review: Ford Falcon AU 1998-2000**

Ford Falcon: Engine differences. The AU 2 was mostly a cosmetic makeover of the AU to make it a little more attractive, there were some changes to equipment levels etc., but there were no significant changes to the mainstream six-cylinder and V8.
