fellowships to individuals to implement their innovative idea for social change. We are most interested in exceptional ideas at the intersection between technology, knowledge and learning, with openness being the key requirement.

Shuttleworth Foundation - Applications

Applications for the March 2022 round will open on 1 August 2021. We would like to live in an open knowledge society with limitless possibilities for all. To help us get there, we identify amazing people with innovative ideas, give them a fellowship grant, and multiply the money they put into their own project by a factor of ten or more.
