These philosophers and thinkers generally used these two different categories of freedom to discuss and debate the role of government in citizens' lives. But today we'd like to take a stab at exploring the way in which thinking about the difference between freedom from and freedom to can help us understand more about our personal development and the journey from boy to man.

### **Freedom From & Freedom To | The Art of Manliness**

The Founding Father of America believed that freedom is a cornerstone of the nation. Therefore freedom had to be protected from any kinds of abuse including abuse by the Government. In order to achieve this purpose the Constitution has been designed in a manner that allowed to limit the powers of governing authorities and protect human rights.
