### From Last To First How

First and Last return a single record. FirstN and LastN return a table, even if you specify only a single record. When used with a data source, these functions can't be delegated. Only the first portion of the data source will be retrieved and then the function applied.

### First, FirstN, Last, and LastN functions - Power Apps ...

The Lord's statement that the last would be first and the first last might also have held special meaning for Peter, who had just spoken of having "left all" (Matthew 19:27). Perhaps Jesus detected in Peter's statement a bit of boasting—Peter was on the verge of becoming spiritually complacent—as the rich young ruler was, but for a different reason.
