A great book that illustrates historical government false flag operations to achieve their desired political ends. The book goes into detail of the London bombings, Madrid bombing the Oslo bombing/mass shooting incident and completely deconstructs and points out evidence that we are being manipulated and lied to by the mainstream media for the state's political gain.

The attack on Libya laid bare the iron fist within the velvet glove of slogans such as "humanitarian intervention." Like the destruction of Yugoslavia and the rape of Afghanistan, the reduction of Libya to a virtual slave colony was performed under the banner of NATO. And what exactly is NATO? Richa...

Gladio, Nato's Dagger at the Heart of Europe. Double-edged Sword: A Review of Richard Cottrell's Gladio. by Dave Randle. An exhaustive chronicle of the doings and mis-doings of NATO and its motley clandestine collaborators might be expected to take some swallowing. And not just because the very notion of the thin veneer of democracy masking an endemic and far-reaching woodworm infestation tends to make the average punter queasy and inclined to hold tighter to his happily imbecilic delusions.
