Global justice and international economic law ...

"The relationship between international economic law and global justice is surely one of the most crucial - but least studied - questions posed by globalization. With this important volume, legal scholar Frank Garcia steps into this scholarly void.

Buy Global Justice and International Economic Law: Three ...

critique, and reform of international economic law doctrine and institutions. The global justice debate has made it abundantly clear that the ready assumption that economic theory and political realism would together resolve all relevant normative issues in international economic law is now untenable (if it ever was tenable).

Conclusion to 'Global Justice and International Economic ...

"Global justice is one of the most important subjects in law and political theory today. What principles of justice might tell us about the actual practices of the WTO and other international economic institutions is of vital importance to states and their citizens.

The World Bank & IMF — Global Justice

The papers in this volume together raise and respond to this key question: how can the justice of global economic relations be enhanced and safeguarded by international economic law? First, there is a need for more careful, formal attention to the

Conclusion to 'Global Justice and International Economic ...

Boston College law prof Frank Garcia has a new book called "Global Justice and International Economic Law." There's a lot going on in the book, and I can't do a full review here, but I wanted to mention one point he makes: Trade agreements should be based on consent.. In this regard, he talks about how a consent approach relates to the substance of trade agreements, that is, what trade rules ...

Garcia: Global Justice and International Economic Law

History. Henrik Syse states that global ethics and international justice in western tradition is part of the tradition of natural law.It has been organised and taught within Western culture since Latin times of Middle Stoa and Cicero, and the early Christian philosophers Ambrose and Augustine.

Global justice - Wikipedia

In international justice the nation or state is taken as the central entity of concern and justice among nations or states is the focus. In the domain of global justice, by contrast, theorists do not seek primarily to define justice between states or nations.

Global Justice (Stanford Encyclopedia of Philosophy)
