Great Debates in Property Law - David S. Cowan, Lorna Fox ...

Property law is the area of law that governs the various forms of ownership in real property (land) and personal property. Property refers to legally protected claims to resources, such as land and personal property, including intellectual property. Property can be exchanged through contract law, and if property is violated, one could sue under tort law to protect it.

Property, in the legal sense, can mean real property in the form of land and buildings, or personal, movable property. Property law — whether under the common law in most of Canada, or the Civil Code in Quebec — deals with a wide range of rights and obligations owing to individuals and governments, and has evolved enormously, particularly in fairness to women, since the 19th Century.
