It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

This is a great repair manual. For anyone who owns a Honda Accord 1998-2002. The price is fair. (Some repair manuals can be very costly) And what I really like about it is this manual only covers a few years. Witch is perfect because some repair manuals cover way to many years and models. Witch never gives you enough information on your year ...
