You'll be able to see the Honda recommended oil type and capacity for a full oil change (including filter) along with the transmission fluid capacity which is split depending on if you have a manual or automatic gearbox as well as the coolant capacity (including expansion tank) which is again split by manual or automatic transmission types.

Honda Oil and Fluid Information - Cox Motor Parts

Honda has long built nearly all of its own automobile transmissions, unlike many other automobile manufacturers which often source transmissions from external sources. The most notable exception was in 2014, when Honda decided to forgo an in-house designed transmission and chose the ZF 9HP transmission for their Acura TLX V6 model, later extending the offering of the ZF transmission to the ...

List of Honda transmissions - Wikipedia

Manual transmission fluid prices. In general, when we compile our reports, we like to offer a guide to inexpensive, mid-range, and expensive products. However, most manual transmission fluid costs somewhere between \$15 and \$22 per quart, so there isn't huge variation.
