The opposite of depression isn't happiness. It is hope. So how do we nourish hope in these trying times of COVID-19 and shelter in place orders? During this period of isolation, we have to be keenly aware of our emotional state so we don't succumb to long-term depression or irritability. You must make a decision about how you are going to deal with this unprecedented difficulty.

Holding On To Hope In The Age of Coronavirus - Guide to Self

Hope in the Age of Anxiety is meant to be a definitive guide. The evolutionary, biological, and cultural roots of hope are covered along with the seven kinds of hope found in the world's religions. Just as vital, the book provides many personal tools for addressing the major challenges of the human condition: fear, loss, illness, and death.
