From these words we can denote the ancient standard of equating art with manual labor or craft. Each of the nine muses of ancient Greece oversaw a different field of human creation. The creation of poetry and music was considered to be divinely inspired and was therefore held in high esteem.

**What is Art? | Boundless Art History**  
The public realm refers to publicly-owned streets, parks and rights-of-way, which is where buildings are situated. Architecture clearly meets this definition. All of us, as the public, interact with architecture. We are affected on a practical and emotional level by both the way a building appears in its context and by its interior environment.
