Human Rights in Another Key | Political Issues & Behavior ...

In this volume, Johan Galtung, best known through his highly acclaimed work in peace studies, develops a new approach to human rights. His argument is that the human rights tradition offers significant means to reduce violence in the world, although it needs recasting if it is to achieve this objective effectively. The concept of human rights emerged out of the Western legal tradition and claims to be of universal application.

Human Rights in Another Key : Johan Galtung : 9780745613765

Human Rights in Another Key: Galtung, Johan: 9780745613765 ...

All human rights are indivisible, whether they are civil and political rights, such as the right to life, equality before the law and freedom of expression; economic, social and cultural rights, such as the rights to work, social security and education , or collective rights, such as the rights to development and self- determination, are indivisible, interrelated and interdependent.

Human Rights - Vocabulary List : Vocabulary.com

The observance of human rights depends on the establishing of right human relations. And right human relations are based on tolerance, understanding and goodwill; on a sense of responsibility for the welfare of all; and on a willingness to accept, indeed welcome, the immense diversity of humankind, and to love the freedom which enables that diversity to flourish within the unity of the greater whole.
