I was excited to learn of Keenan Lee's plans to publish a hydrogeology lab manual, and I was especially pleased when he invited me to contribute lab exercises from the Seymour Recycling Corporation hazardous waste site. Hydrogeology is best learned through a hands-on approach.

Hydrogeology Laboratory Manual 2nd Edition | Rent ...

The manual fell apart because of this binding half way through the semester.. I probably wouldn't be too upset about it, if I didn't care about the content, wasn't planning on keeping it for a future reference, and didn't pay that much for it, but I feel that if they charge as much as they do, the book should be able to survive at least one semester of mild use and laptop/messenger bag travel.
